This application is for a grant program otherwise known as Impact Aid Basic Support Payments. Local Educational Agencies (LEAs) whose enrollments and revenues are adversely impacted by Federal activities use this form to request financial assistance. Regulations for the Impact Aid Program are found at 34 CFR 222.

The statute and regulations for this program require a variety of data from applicants annually to determine eligibility for the grants and the amount of grant payment under the statutory formula. The least burdensome method of collecting this required information is for each applicant to submit these data through a web-based electronic application hosted on the Impact Aid Grant System (IAGS) website.
